

VIRTUAL IRISH WHISK(E)Y TASTING

Friday 22nd January 7-9pm

Greetings virtual tasters!

This is your ticket to a Good Spirits Co. Virtual Tasting Event.

During the week of the event we will send out your tasting kit containing all the samples for the event, plus a tasting mat with details of each sample. If you are local to us then your kit will arrive on our Thursday local delivery run. If you're outside of Glasgow your kit will be sent via DHL Express, to reach you on Tuesday or Wednesday.

Ahead of the event you'll also receive an email invitation to the Zoom meeting that we will be holding for our Virtual Tasting.

Please check your email and, if you haven't heard from us by the day before the event, do get in touch. Please note, if you've received this tasting ticket as a gift the email address we'll send the Zoom link to will be that of the person who placed the order.

We're really looking forward to this tasting, and to sharing some delicious liquids with you.

Cheers

The Good Spirits Co.
